

4KID^sNEEDS

presents

Family Night Out

Join us for a Family Night Out at The Oasis Family Fun Center to spread awareness and to provide outreach in our community to promote 4KID^sNEEDS.

Wednesday, February 20, 2008
5:00 PM – 8:00 PM

The Oasis Family Fun Center will donate a portion of the night's revenue to 4KID^sNEEDS so show your support and bring the whole family out to play in their 20,000 square foot all indoor facility.

4KID^sNEEDS is a foundation for children, and their families living with chronic illness. Our focus is on creating a community responsive to improving quality of life through outreach, support networks, education, family activities and financial assistance.

The Oasis offers something for the entire family:

- An interactive Ballocity Arena, an addictive and challenging Lazer Maze, a 20 x 20 Rock Climbing Wall and a gigantic Soft Playground
- Over 60 of the latest arcade games including Highway 66 Mini Bowling
- A café featuring pizza, wraps, salads, and more!

Help us reach new heights by climbing a combined 2 miles on the Rock Climbing Wall. Register your team now!

For more information about 4KID^sNEEDS, contact Steve McFadden at 484-580-8319 or visit our website: www.4kidsneeds.org
